Our organization, ETI Corral 38 runs on the dues collected from our members. Those monies are used to pay fees, purchase ribbons, awards, prizes and offset expenses for keeping the Corral running.

Included in the dues is a fee charged to us by our insurance company. Over the years that fee has increased but we've kept the dues the same. That means then that the total monies we used to have for our expenses lessened as we paid more money to the insurance company.

As in all aspects of our lives ETI Corral 38 is now at a place where there is a need to increase the amount of money at our disposal. Following are the new amounts for membership. This will help Corral ETI 38 continue funding our horse shows and events and keep us all safe while enjoying all of our goings on!

LYNN'S CORNER

Heads up to all Corral 38 members, E.T.I.'s annual Convention will June 26 - 28 this year. The Horse Show and Convention is our largest fundraiser of the year and cannot be done without the great members we have to help us. Please go to your Corral meetings and ask for donations of items for the Silent Auction. Please phone E.T.I. headquarters and volunteer some time. The Convention is usually a lot of fun and needs your support. . To volunteer contact the ETI Office at 818-698-6200 or ETI at eti@etinational.com.

If anyone would like to Chair the Western Arena for Convention please contact Michelle at the ETI office at 818-698-6200 or ETI at eti@etinational.com. Please support Corral 38s Horseshows. Spread the words with your friends. Make plans to support our September 13th show.

***** News of Griffith Park and its trails. In my May column I mentioned that there is to be a promised equestrian and hiking trail around the perimeter of the Headworks project. What I failed to mention is that this trail will not be in place until after the second huge tank is completed sometime after 2018 most likely. The plans for the trail are not finalized at this time. There are various ideas for the trail. One idea was for the Army Corp of Engineers to divert a bit of the LA River onto the property to create a stream and ponds. The 134 freeway follows the ancient path of the Pacific flyway, a migration corridor for hundreds of birds. It was thought that if there were some wetlands, it would help restore the flyway to a more vital role for birds. This is only one possible plan. The drought might play a big role in whether a wetlands could be created.

The traditional parking spot for equestrians hauling trailers in to ride is now open again. This is directly across from the Live Steamers and access to the dirt trails in the park. Also the additional parking spot for visiting trailers is across from Martinez Arena. So there are now two good places to choose from for visitors to the park.

DUE TO THE TIMING OF OUR NEWSLETTER THE INFORMATION BELOW MAY HAVE ALREADY TAKEN PLACE

***** At the north entrance to Tunnel 7, (many people think of it as the first tunnel since it is the first one equestrians ride through after crossing the Mariposa Bridge heading into the Park), there has been a ruptured pipe belonging to Cal Trans. The pipe first broke in March and flooded the entrance to the tunnel. A quick repair was done. However, I got a call from Park Maintenance that Cal Trans will be returning to the spot where the broken pipe was to make a permanent fix. I believe that they are cutting the pipe back away from the mouth of the Tunnel 7 and burying it deeper into the ground where I can't be broken again. During construction, the north entrance of Tunnel 7 will be closed to through traffic. Riders will be directed to Tunnel 6, in order to access the park trails. Tunnel 6 is reached by turning left upon exiting the bridge on to the posted Bridle Trail, heading toward the Victory Bridge, riding along the broken paved road to Tunnel 6. You enter the Tunnel way before Victory Bridge. Riders will exit from the Tunnel 6 just east of Travel Town where you can access the trails for riding or hiking. You will have to return in the same way. The repairs shouldn't take more than a day or so to accomplish. I don't have a date for this repair work as it will be decided by Cal Trans according to their work schedule. Signage will be posted at the south end of the bridge to advise riders and hikers.

Jane Geyer, Kimberly Dwight, Don't have name for next two,, Susi Cover and Tama Lockiwood.
Mid 90s at an ETI Trail Trial..Tama won First Place

We have just learned of the passing of one of our older members, For those of you her new her, Tama passed away last March from complications of Alzheimers. She was a very long time member of the group until her memory made it difficult to do the things she enjoyed so much.

She is missed by all the gals who knew her.

ETI Corral 38 Would Like Your Input!

We would love to hear any ideas you might have about what you'd like to see ETI Corral 38 do — for the rest of 2015 and for the future.

While the Corral is run by a board of directors (you can see their names on the front page) it is the membership who helps direct the organization.

Each ETI Corral is known for what it does — and ETI Corral 38 is know for it's horse shows — but there may be other areas in which you, the members, might have interests or maybe you have ideas about our horse shows or maybe you're happy with how things are going. Whatever it is, we do want to hear from you.
