PRESIDENT'S MESSAGE - Diana Hoch

Thank you all who attended the Easter Service, Bonnet Contest and Egg Hunt. The service by Dr. Veas was wonderful. I hope to see more of you next year. (see photos by Robert Starr)

Our first and possibly only horse show is on May 1st (we will have to see how well we do) and we will need volunteers for the desk, food area and to help set up the jumps and to break things down as well.

Many thanks to all who took the time to go to the Burbank City Council meetings regarding the swinging bridge. It's now official, No Bikes on the Bridge. We got the Council to inspect the bridge and see first hand how dangerous it would be to have bikes on the bridge. Many thanks to our Lynn Brown who spent many hours organizing and getting information together and contacting scads of people.

Diana

LYNN'S CORNER

- ◆ **T**here will be a DeAnza Expedition Celebration in Griffith Park on May 14, 2016. Re-enactment mounted riders will parade in costumes of the period, with colorful banners. The ride will be from LAEC area on the bridle path that runs along Zoo Drive to end at Crystal Springs picnic grounds.

All interested equestrians are welcome to join the ride with them. Tentatively scheduled to depart at 10am. All interested Riders are invited to join. Please RSVP to me at akalynnbrown@aol.com. I am helping to organize the equestrian aspects of this event.

Once at Crystal Springs, there will be many activities for the public and their families to enjoy. Educational activities include conversations with "Anza" and "Father Junipero Serra", dances and music from the Tongva Nation/ Gabrieleno Indians, and period dancing and public participation, just to name a few interesting educational opportunities to enjoy.

Come join the fun!

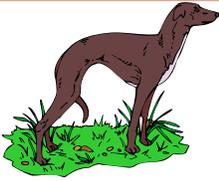

- ◆ **A**s most of you already know, Burbank City Council passed an Ordinance for the Mariposa Bridge stating that no bikes will be allowed on the Bridge, not ridden, not carried or pushed. It is a complete ban on bikes on that bridge.

Soon, there will be a bike only bridge constructed off of Bob Hope Drive that will cross the LA River and end on Forest Lawn Drive.

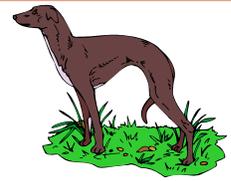

Although the Ordinance has been passed, it takes 30 days after the Ordinance is officially adopted and goes into effect. The Ordinance took effect on Friday, March 25. Burbank will post signage referring to the bike ban Ordinance which then can be enforced by Burbank P.D.

- ◆ **G**et ready for E.T.I's Horse Show Convention by attending Corral 38's English and Western ***Open High Point Horse Show on May 1***. There is no scheduled Rain Date for the May show. The Show begins at Martinez Arena, 8am; Registration starts at 7am. The judge is Lynette Harwood.

Please come and support Corral 38 and the High Point Program. Spread the words with your friends.

Corral 38 prides itself on an organized show, with excellent judges, neat ribbons and awards and homemade food by Harriet's Cowgirl Up Cafe.

Come and participate for a good day showing your horses.

- ◆ **H**eads up to all Corral 38 members, ETI's annual Convention this year will be June 24, 25 and 26 at LAEC. The Horse Show and Convention is our largest fundraiser of the year and cannot be done without the great members we have to help us.

Please go to your Corral meetings and ask for donations of items for the Silent Auction. Please phone ETI headquarters and volunteer some time.

If you can't volunteer, please consider sponsoring a class. The Convention is usually a lot of fun and needs your support. To volunteer or sponsor a class, contact the ETI office at (818) 698-6200 or equestriantrails@outlook.com

- ◆ **D**ead and dying trees in Bette Davis Park are being cut down and replaced with new trees.

ETI Corral 38 Would Like Your Input!

We would love to hear any ideas you might have about what you'd like to see ETI Corral 38 do — for the rest of 2016 and for the future.

While the Corral is run by a board of directors (you can see their names on the front page) it is the membership who helps direct the organization.

Each ETI Corral is known for what it does — and ETI Corral 38 is known for its horse shows — but there may be other areas in which you, the members, might have interests or maybe you have ideas about our horse shows or maybe you're happy with how things are going. Whatever it is, we do want to hear from you.

fyi

Our organization, ETI Corral 38 runs on the dues collected from our members. Those monies are used to pay fees, purchase ribbons, awards, prizes and offset expenses for keeping the Corral running.

Included in the dues is a fee charged to us by our insurance company. Over the years that fee has increased but we've kept the dues the same. That means then that the total monies we used to have for our expenses lessened as we paid more money to the insurance company.

As in all aspects of our lives ETI Corral 38 is now at a place where there is a need to increase the amount of money at our disposal. Following are the new amounts for membership. This will help Corral ETI 38 continue funding our horse shows and events and keep us all safe while enjoying all of our goings on!

Equestrian Trails, Inc.

ETI is a non-profit organization established in 1944 and dedicated to equine legislation and the acquisition and preservation of riding and hiking trails.

Hey, (or should I say hay), do you have any news, stories, tips, thoughts or pictures you'd like to show the ETI Corral 38, just send them to eti.corral.38@gmail.com and we can post them in the newsletter—or even on the website if you'd like.
